IOU's activities include reviewing and archiving sightings of rare birds through the Iowa Records Committee, publishing Iowa Bird Life: The Iowa Ornithologists' Union quarterly journal, publishing IOU News, the quarterly newsletter, organizing field trips, and holding semi-annual weekends in various locations throughout the state. IOU also owns and manages IA-BIRD, the Iowa birding community's online mailing list as well as maintains a social media presence through Facebook and Twitter. To join the IOU, or for more information, visit us online at http://iowabirds.org/. IOU members maintain the list of species recorded in each county of the state from which this checklist is generated.
