- Ovenbird
- Wren
- Louisiana Waterthrush
- Golden-winged Warbler
- Blue-winged Warbler
- Black-and-white Warbler
- Prothonotary Warbler
- Tennessee Warbler
- Orange-crowned Warbler
- Nashville Warbler
- Mourning Warbler
- Kentucky Warbler

The list includes a variety of bird species found in Jones County, Iowa, including ducks, geese, swans, and various songbirds such as finches, sparrows, and thrushes. The list is comprehensive and includes both common and less common species, providing a detailed record of the bird species found in the area.
The Iowa Ornithologists' Union (IOU) is a non-profit statewide organization devoted to the study, conservation, and enjoyment of Iowa's birds. IOU's activities include reviewing and archiving sightings of rare birds through the Iowa Records Committee, publishing Iowa Bird Life: The Iowa Ornithologists' Union quarterly journal, publishing IOU News, the quarterly newsletter, organizing field trips, and holding semi-annual weekends in various locations throughout the state. IOU also owns and manages IA-BIRD, the Iowa birding community's online mailing list as well as maintains a social media presence through Facebook and Twitter. To join the IOU, or for more information, visit us online at http://iowabirds.org/. IOU members maintain the list of species recorded in each county of the state from which this checklist is generated.
