The taxonomic sequence and nomenclature used in this list follow the Checklist of North American Birds, 7th Edition, American Ornithologists' Union, 1998, updated through the 64th Supplement (Chesser et al. 2023).

lowa Ornithologists' Union (IOU) is a non-profit statewide organization devoted to the study, conservation, and enjoyment of lowa's birds. IOU's activities include reviewing and archiving sightings of rare birds through the lowa Records Committee, publishing lowa Bird Life: The lowa Ornithologists' Union quarterly journal, organizing field trips, and holding semi-annual weekends in various locations throughout the state. IOU also owns and manages IA-BIRD, the lowa birding community's online mailing list as well as maintains a social media presence through Facebook. To join the IOU, or for more information, visit us online at http://iowabirds.org/. IOU members maintain the list of species recorded in each county of the state from which this checklist is generated.
